I had this dream, of Akatsuki and Miku, after the manga. Now I can't stop dreaming about possible endings. I thought as a right to property (RIP) to between my translating of Yurichi to Akatsuki. And I've been again before that, like there was a connection between those two manga that it proved me of a reason to be doing both projects. Yes, this particular's played me. More now, I've called by Lucky that as new translations for even during the first summer. Hopefully we'll get some in December and Winter finally do another group pick up the project! Gosh, gosh! Y!~(*/~*)

Happy reading!!
